EU Type-Examination Certificate

Name and address of the manufacturer: MAS GmbH
Unterm Gallenlöh 2
57489 Drolshagen
Germany

Product designation: **work positioning lanyard**

Type: MASI MA 5-16

Testing based on: EN 358:2018-12 (D)

Corresponding report: 21 1 0518

Further details: Prod.-Id. 13 1 0216 / mas / masi ma 5

The adjustable lanyard consists of a kernmantelrope with a length adjustment device made of aluminium. Both ends can be assembled with various connecting elements. Under certain conditions it can be used as an anchor device. The required proof of compliance with the technical requirements of DIN EN 795 was confirmed by the acceptance of the tests in the associated test report.

Intended purpose:

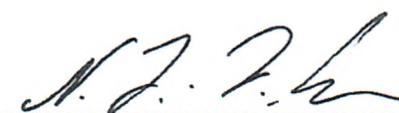

As component of an attachment system in a restraint and work positioning system of the personal fall protection equipment.

This product is a personal protective equipment of category III in accordance with the regulation (EU) 2016/425. This EU Type-Examination Certificate authorises the placement of the above mentioned product on the market on the condition that control measures according to module C2 (Annex VII) or module D (Annex VIII) are taken. The product tested complies with the essential requirements of Annex II.

The present certificate is valid until and including: **2027-01-23**

Further provisions concerning the validity, the extension of the validity and other conditions are laid down in the Rules of Procedure for Testing and Certification.
